

The Sierra Madre News is the City of Sierra Madre in print. Any suggestion you may have to make it more representative will be welcomed by the management.

VOLUME 16, NO. 19

## Orchard Camp Bungalow Is Burned Down

NEW BUNGALOW IS RAZED

Snow and Volunteer Fire Fighters Save the Rest of the Camp From Destruction

Fire of mysterious origin destroyed the new bungalow residence, containing the office, of Mrs. Clara L. Smith at Orchard Camp last Saturday night. The fire was discovered about nine o'clock by guests sitting in the adjoining pavilion. The flames had progressed so far through the interior of the frame house that it was impossible to save any of the contents.

The loss to Mrs. Smith is quite heavy. In the office were the entire receipts of perhaps the biggest day in the history of the camp, about \$700 in money. In addition the house contained all the personal effects of Mrs. Smith, including many articles of sentimental value which cannot be replaced.

### Other Buildings Saved

Mrs. Smith pays high tribute for the help rendered by Forest Patrol Tom Schwartz, who assumed charge of the hastily organized fire fighting brigade. George Cox and Harvey Steinberger, who were in search of an insane man reported to be at large in the mountains, also were opportunists joined in shovelling snow which was the only weapon available. This, with the heavy coating of snow on the roofs, saved the pavilion and the original camp building which was erected back in the seventies.

Considerable damage was caused in removing everything loose from the pavilion and store. However, it could hardly have been avoided in the confusion, and for a time it appeared certain that was the only way to save anything from the flames.

Mrs. Smith takes her loss philosophically and says to tell the public Orchard Camp is doing business at the old stand. In spite of the handicap of meager facilities, the camp did a big business on Sunday.

### CROSSED WIRES DELAY NEWS

High Tension Electric Current Plays Havoc with News Office Equipment

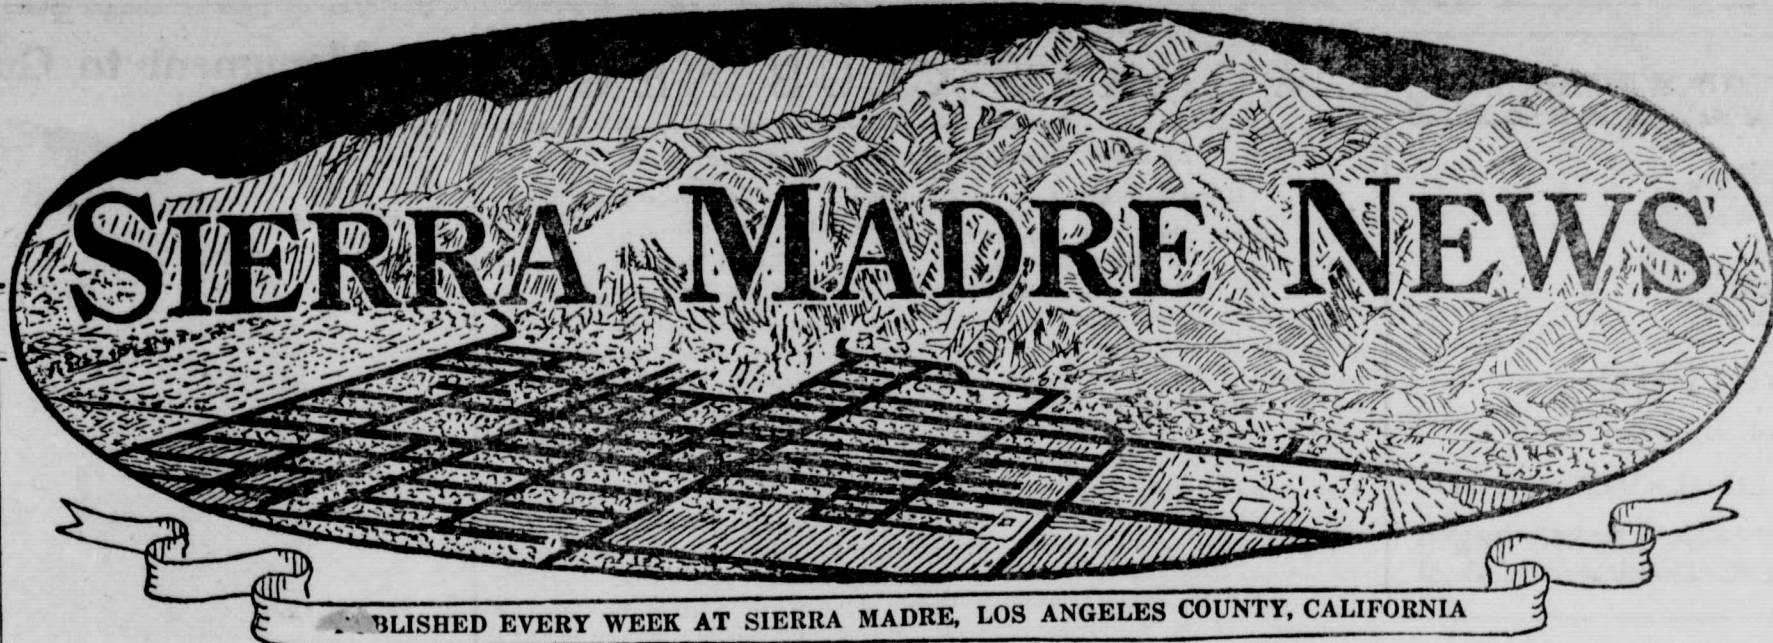

Delay to this week's News was due to crossed wires on the Edison company's power system which put the machinery out of commission more than twenty-four hours. The delay is particularly regretted because of plans which had been carefully laid and promises made to have the News out for delivery on Friday morning.

It is providential that there were no fatalities in connection with the crossed wires which affected motor equipment not only in the News office but for the Sierra Madre Electric Co., Rudolph Hartman and Dr. Warden.

In the News office the current actually melted the metal parts of a safety switch which Mr. Newton had thrown open when the motor on one of the presses began to smoke. Next thing to happen was the melting of the fuse and even the porcelain of the fuse block at the meter. The melted fuse plug dropped out of the block and disconnected the hot juice to the accompaniment of spectacular fireworks which terminated the show.

District Agent Schwartz and Foreman Cochran promptly answered a hurry call to Monrovia, and traced the trouble to a wire which had come in contact with the trolley system on Central avenue.

Fortunately none of the motors was put out of commission and after re-

### Portrait Premium Coupons Popular

Special Subscription Offer of News Meeting With Great Favor

Getting a free portrait coupon good at the Witzel studio with a subscription payment to the News seems to be regarded as a most liberal premium offer, judging by the demand. Many new subscribers are taking advantage of the offer, and old subscribers are paying up another year in advance to take advantage of this offer.

Details of this offer may be found in the advertising columns on another page. It should be noted that while the coupons are good any time between now and November 1, there is no assurance that the supply will last that long. The News has only a limited number of coupons available and no assurance that more can be secured. At the rate they are going anyone interested will do well to act promptly.

### CITRUS GROWERS HAVE MEETING

Problems of Growers Discussed by Orchard Experts from Association

Problems confronting the citrus growers of this district were discussed at a meeting of local commercial growers held in the office of Andrews & Hawks Wednesday evening. Treatment of frost injured trees, and the picking, handling and shipping of fruit this season were discussed by F. C. Weber of the orange department and F. W. Knight of the lemon department of the Sierra Madre-Lamanda Citrus association. Various methods of economy to offset impaired revenues without injury to trees were discussed.

So beneficial was the gathering that it was agreed regular meetings should be held and an organization called the Sierra Madre Citrus association was formed. E. F. Ballou was made president and Arthur Johnson, Jr., secretary.

The monthly meeting of the Missionary Society will be held in the parlors of the First Congregational Church Tuesday, February 14th at 3:00 o'clock. The speaker of the afternoon is Mrs. H. L. Hoyt, President of the Woman's Home Missionary Union of Southern California. All are urged to be present.

pairs had been made to the wiring system by the Sierra Madre Electric Co., the wheels were able to start after being idle more than 24 hours.

### Program Out for Orange Show

Annual Exposition at San Bernardino Offers Many Attractions This Year

Official program for the Twelfth National Orange Show is announced. Many bands, college glee clubs and vaudeville attractions will furnish entertainment, while the special days will bring special entertainment features from many of the Southern California communities. Strolling musicians will furnish entertainment all over the 14 acres of show grounds.

Entertainment programs will be given daily both afternoon and evening. Bands to appear at the show include the Santa Monica Ocean Park band, Pacific Electric of Los Angeles, Southern California Edison Company of Los Angeles, Long Beach Municipal, Riverside Military, Redlands High School band, San Bernardino Elks Band and others.

Special days at the show are, with a different daily program of suitable character.

Friday, February 17, opening ceremonies in evening.

Saturday, February 18, Rim of the World, Editorial Association, Orange County and San Bernardino Valley Day.

Sunday, February 19, Pacific Electric Day.

Monday, February 20, Ontario, Chino, Upland and West End, and Santa Monica-Ocean Park Day.

Tuesday, February 21, Long Beach and Rotary day. California Citrus Institute.

Wednesday, February 22, Riverside County, Colton, Progressive Business Club, National California Association of Commercial Secretaries, Banker's Association Day. Washington's Birthday.

Thursday, February 23, Governor's Day, San Gabriel Valley and Lion's Club Day.

Friday, February 24, Redlands, Highlands, Del Rosa and East End day.

Saturday, February 25, Los Angeles, Pasadena and Southern California Edison day.

Sunday, February 26, American Legion, Fresno and San Diego Counties Day.

Monday, February 27, Home day.

### MR. BANDY PASSES AWAY

Release from pain and suffering came last Saturday to Mr. J. F. Bandy of South Mountain Trail Avenue. The end came after an illness extending over a long period, during which he showed a superb spirit of fortitude and patience. Mr. Bandy was 67 years of age and a native of Kentucky, but had spent his active years as a rancher in Colorado. He was a member of the M. E. Church. Funeral services were held Wednesday in the undertaking parlors of A. T. Gay, conducted by Rev. Wm. J. Thompson and the internment took place in the Sierra Madre cemetery. Mr. Bandy is survived by Mrs. Bandy and seven children, Miss Florence Bandy of Sierra Madre, C. G. and C. R. Bandy of Glenrock, Wyo., who came to attend the funeral, G. L. and Ernest Bandy Bingham, Nebraska, H. N. of Flagler, Colo., and Mrs. M. O. Jordan of Bickleton, Washington.

### Fine Delegation at Duarte Session

Dean Shaw One of Principal Speakers At Associated C. of C. Banquet

Fifteen representatives of the Sierra Madre Chamber of Commerce present at the regular monthly meeting of the Associated Chambers of the San Gabriel Valley which was held in Fish Canyon under the auspices of the Duarte Chamber of Commerce Tuesday night. The meeting and banquet was attended by more than 300 business men of the San Gabriel Valley.

The principal speakers on the program were Daniel Jones of Los Angeles and Dean William Carson Shaw of Sierra Madre. Mr. Jones represents the All Year Club of Southern California, which is organized with a budget of \$300,000 to spend in advertising Southern California as a summer resort in the eastern magazines and newspapers. Mr. Jones produced some maps and statistics about Southern California that proved enlightening to even the most enthusiastic booster.

"California, has always been advertised as a winter resort," Mr. Jones said, "but every native son knows that the most delightful weather comes in the summer time." More than 90 per cent of the vacations are taken in the summer time, according to Mr. Jones and the club plans an extensive advertising campaign beginning with the March numbers of the Saturday Evening Post, Review of Reviews, The Atlantic Monthly, Vogue and many other periodicals and newspapers in the same class. The plan is to be kept up for a period of three years and the club will spend more than \$1,000,000 in that time.

### Dean on Propaganda

Dean Shaw followed Mr. Jones with a delightful discourse on propaganda. "Propaganda," said Dean Shaw, "is the promoting of a fool idea, that the originator believes he must force on the people, by fair means or foul." No man loves a good clean fight better than I," he said, "and we have no right to criticize a man because he is on the other side. But whether the fight is physical or mental every man wants to see the game played clean, out in the open and above board. "When issues arise," the Dean concluded, "beware of the propagandist, and bear in mind that a cause that must be promoted by falsehoods can not be right."

Dewitt Jones of Sierra Madre and William Porter of El Monte were introduced to the assembly as the new secretaries in their respective organizations and responded with short talks.

The next meeting of the organization will be held at Glendora on March 7. An effort will be made to increase the Sierra Madre attendance to at least twenty.

The many Sierra Madre friends of Mr. and Mrs. C. L. Tarter of Kerman will be interested to learn of the birth of a daughter this week.

A. W. Carpenter and little daughter Alice of Burlington, Iowa, are guests at the home of Mr. Carpenter's brother, E. H. Carpenter, of East Alegria street.

### RANGER BODINE SAFE FROM STORM

Forest Ranger Roger Bodine did not take any chances in trying to come away cross the Sierra Madre Range from Buckhorn in the big storm two weeks ago. His friends on this side were greatly concerned at some inaccessible place without supplies, even if nothing worse had happened. They were greatly relieved to find early this week that he escaped by going out on the other side of the range to the Antelope Valley via Valyermo.

### Community Club Offers Fine Bill

"Paris in Motion Pictures" Will Be Topic of Lecture Following Monthly Dinner

Dr. E. Harvey Hadlock will be the speaker before the Sierra Madre Community Club at the Congregational Church next Thursday evening, Feb. 16. The subject will be "Paris in Motion Pictures," and a splendid lecture is promised.

A merry contest is on between teams headed by S. R. G. Twycross and Geo. S. Anderson to see which can sell the most tickets to the men's dinner which will be served at 6:30 P. M. The dinner will be served by the young ladies of the U. N. U. Club and if there is a profit it will go to the Sunday School piano fund. At the business meeting the annual election will take place.

As is customary at the monthly club meetings, the lecture by Dr. Hadlock will take place at 8 o'clock and ladies and children are admitted, there being no charge although it is regarded as a high grade attraction on the chautauqua and lecture course circuits.

### CHRISTIAN ENDEAVOR CONDUCTS SERVICE

Members of the senior and junior Christian Endeavor societies conducted the evening service in the Congregational Church on Sunday. The occasion was in celebration of the 42nd anniversary of the founding of the organization by the late Father Clark of Portland, Maine.

Special choral numbers were presented by the juniors and by the combined societies under direction of Mrs. Cover. Miss Alice Stanley presided and told something of the scope of the international organization.

Mrs. J. C. Dickson presented a historical sketch of the local society from notes prepared by Mr. Dickson who was its first president. It was a fact of peculiar interest that the Dicksons were members of the society at Concord, Mass., which was the first organized after the formation of the original society in Portland. Edwin Ward related the more recent history and work of the organizations. Rev. Mr. Thompson was called upon as an added speaker, though not on the program, and paid high tribute to the workers who have brought the societies to their flourishing condition.

This evening the Endeavorers will hold a banquet in the church parlors.

FRIDAY, FEBRUARY 10, 1922

## Splendid Chorus To Come From Community Sing

300 AT FIRST REGULAR SING

Serious Musical Work to be Taken Up Under Direction of Mr. Kirchhofer

Starting off with an attendance of nearly 300 persons, the Sierra Madre Community Sing became a reality Monday evening. Every chair, bench and table in the Woman's Club House was used for seating purposes, and a dozen or two were still left standing—though none was still.

The way that crowd did sing would be almost unbelievable to one who did not hear it, or was not familiar with the prowess of Mr. Hugo Kirchhofer as a sing leader. It becomes increasingly evident how fortunate Sierra Madre is in being able to procure his services.

### Serious Work Ahead

Mr. Kirchhofer told the assembly that he did not expect them to continue singing only folk songs and popular ditties. He will begin at next Monday evening's sing to work on really serious chorus music. This will make the enterprise much more interesting and attractive to many who foresaw quickly waning interest if only the union singing of lighter music were attempted, no matter how vociferously or how expressively it might be done.

In addition to the choral work outlined by Mr. Kirchhofer, it is planned to have a variety of short entertainment features from week to week. Some of these have already been engaged by Mrs. Steinberger.

### Temporary Officers

Until a permanent organization can be effected, business of the sing will be handled by temporary officers announced Monday evening as follows: President, Mrs. J. Milton Steinberger; Secretary, Dewitt T. Jones, secretary of the Chamber of Commerce; Treasurer, George B. Morgridge. Mr. Jones is greatly interested in the enterprise, having been instrumental in developing a similar one at his former home in Kansas.

With eighty guarantors already enrolled, thirty-six were added to the list Monday evening. These guarantors merely underwrite the Community Sing against a deficit and may not be called upon for funds.

It is planned to follow the system in vogue in Hollywood. A basket is placed near the door to receive voluntary contributions. Last Monday Evening \$28 was contributed, which nearly meets all expenses.

Mrs. William Murphy has been secured as accompanist for the Community Sing. She is an accomplished pianist with much professional experience as an accompanist and will be a great help in the work.

### EXAMINATION ON FOR POSTMASTER

Civil Service Commission Is Authorized to Hold Test of Candidates

Postmaster Morgridge has received from the post office department notice that the U. S. Civil Service commission has been authorized to hold a competitive examination of candidates for the position made vacant by his resignation.

No date has been set for the examination. Details as to time and place, and the scope of the examination will be announced when received from the commission.

## WOMAN'S CLUB NEWS

By Press Chairman, Mrs. Besse Palmer Rhodes.

### Regular Meeting

The monthly luncheon and regular meeting of the Woman's Club will be held at the Club House on Monday, February 13. Luncheon will be served at 12:30, tickets for which may be purchased at the Sierra Madre Electric store up to Friday night.

Each month, as the fame of these excellent luncheons goes abroad, the attendance increases.

This Monday a much larger crowd is expected than at any previous one. Gilmore Brown, whose splendid work as director of the Pasadena Community Players has been followed with interest and admiration, will be the luncheon speaker. Mr. Brown only recently returned from a trip to New York, where he went in the interest of the Drama. As a result he has introduced into his work a number of new ideas, which, expressed in the refreshing frank way which is Mr. Brown's own will be most interesting to hear.

An exceptional treat is in store for the afternoon program in the person of Lillian Burkhart Goldsmith. Her work as curator of the drama section during a previous year was so thoroughly enjoyed and whose programs before this club have always been of the best. This time Mrs. Goldsmith will present a Bible program, which has been hailed as her very best and is entitled, "Winding Roads to God." It contains some excerpts from the Bible, readings from Isaiah in the Old Testament and Paul in the New; some very spiritual new poetry, and the reading of a short story, "The Will to Go," by Margaret Prescott Montague. It also includes the interpretation of a scene from, "If Winter Comes," by A. M. S. Hutchison, a novel of which all the world is talking. The afternoon program will begin promptly at 2:30.

### Drama Section

The next session of the Drama Section will be held on Thursday afternoon, February 16. The study of "The Leper" by Willis and "The Skylark" by Shelley will be continued. This section hopes to give an informal evening, in the near future to which the public will be invited. It is their

intention to give a good play, immediately following Lent.

### Social Evening

On the evening of February 16, the club members and escorts will enjoy another of the pleasant social evenings, which are fostered each month by the club. As here-to-fore, there will be cards and dancing and refreshments will be served by the hostesses. This is one of the opportunities for the fostering of a good fellowship which is always anticipated with joy. New members especially, should make it a point to come and bring their husbands, as the intent is to make this a real get acquainted evening. No admission is charged.

### Card Party

A large number of Sierra Madre ladies as well as many from Pasadena and Monrovia, thronged the Newton home last Saturday afternoon, where in the interest of the Woman's Club, a card party and social was held. The interior of this beautiful home was decorated with sprays of yellow acacia blossoms. The guests enjoyed both bridge and five hundred. The first prize in the former was awarded to Mrs. John Nelson and consolation to Mrs. E. W. Armstrong of Monrovia. Mrs. Joe Stamps of Pasadena received the first prize in five hundred, and Mrs. Charlotte Hamlin, consolation. In the late afternoon delicious cake and tea was served. Mrs. Newton being assisted by Mrs. Milton Steinberger, Mrs. W. E. Walker, Mrs. Frank Hart, Mrs. Palmer Rhodes, Mrs. W. H. Ingraham, Mrs. Spencer Howard, Mrs. Homer Glidden, Mrs. W. R. Morgan and Mrs. W. R. Lees.

### Useful Birds.

The two kinglets, the golden-crowned and the ruby-crowned, the smallest of our birds with the exception of the hummingbirds, are common during the spring migration, says the American Forestry Magazine, and flit about the trees prying into every nook in search of insects.

### First Fine Cut in 1836.

Fine-cut chewing tobacco was first manufactured in Centerville, Mich., in 1836.

### SPEAKER FOR ONE DAY

This new painting has just been hung in the capitol at Washington. It is the portrait of the only man in the nation's history who served as speaker of the house of representatives for a single day. The man who had this unique experience was Theodore Mead Pomeroy of Auburn, N. Y. This was when Schuyler Colfax was elected vice president while he was speaker of the house, Mr. Pomeroy being named for one day until March 4, when a new speaker was named.

## Social Activities of the Week

Reported by Mrs. W. R. Lees

NOTE: Items for this column should be in the hands of the reporter not later than Tuesday evening to insure insertion and avoid inaccuracies. Items turned in after ten-thirty Wednesday morning will not appear in the current week's issue. Phone Green 79.

Ivan Ingraham of Los Angeles has purchased property on South Lima and expects to reside here permanently.

Mr. and Mrs. Roland A. Adams, Mrs. Mary Davis Goodfellow and Mr. Claude Davis were among those who visited Mt. Lowe last Sunday to see the snow.

Mrs. E. Dingman and son arrived here Saturday from Grand Rapids, Michigan and will spend the remainder of the winter with Mrs. Dingman's parents, Mr. and Mrs. C. H. Brown on East Central Avenue.

Mrs. H. E. Allen returned Wednesday from Los Angeles after spending two weeks there with relatives. She had planned to remain only a short time, but was taken with an attack of influenza and has been quite ill for several days. Her many friends will be glad to hear of her return.

Mrs. Charles Floyd will entertain the members of the Woman's Guild of the Church of the Ascension on February 17th, at her home on Bonita Avenue. Each member is asked to bring a cake or anything in the cooked food line which will be sold to help defray expenses of the organization.

After a short business session Monday evening, the Order of Eastern Star held a social and shower for Miss Bae Farman whose marriage to Mr. Guy Steinberger will be celebrated next Saturday at the church of the Ascension. A beautiful set of solid silver teaspoons was presented to her from the chapter, with the good wishes of all. Elaborate refreshments were served by the hostesses, Mrs. Kittie Buie and Mrs. Virginia Roess. Mrs. Sabina Reynolds of Monrovia, who is District Deputy Grand Matron was a guest on this occasion.

The Parent-Teachers Association will hold a social meeting in the kindergarten building next Tuesday evening. Every third meeting will be an evening meeting so as to enable the fathers to attend and it is expected that there will be a large attendance. A splendid program in charge of the teachers is being arranged. Mrs. W. S. Hull has charge of the refreshments and will be ably assisted by Mesdames Griebenow, Andrews, Clemmonds and Miss Elizabeth Steinberger.

On Friday evening, February the 10th, the Woman's Guild of the Church of the Ascension entertained the "cast" of the recent bazaar play and the members of the choir with a dinner and party at the Woman's Club House. Mesdames Jaques and Gaston had charge of the entertainment and Mrs. M. D. Welscher, Mrs. Jennie Appleby and Miss Florence Vannier prepared the supper.

The members of St. Catherine's Guild were entertained Tuesday evening at the home of their president, Mrs. Roland Adams, on North Mountain Trail Avenue. Each one brought two recipes, a practical one and a fancy one, which were pasted in a book with illustrations. When finished, the book was presented to Bae Farman, whose approaching marriage is awaited with much interest. The remainder of the evening was spent in playing games. Dainty refreshments were served by the hostess.

Last Saturday evening Miss Gladys Kimball entertained with a handkerchief shower for Miss Bae Farman. The packages were concealed at the end of ribbons which ran crisscross in all directions and the honored guest was obliged to follow each one to the end. The evening was spent in playing games and impromptu music and delicious refreshments were served. Invited guests were Gladys Walker, Lorraine Wright, Esther Olsen, Frances Thorniley, Elizabeth Ferris, Mattie and Helen Seely, Mrs. Hall Perry, Mrs. G. I. Farman of Sierra Madre and out-of-town guests were Marybelle Ream of Pasadena, Mrs. Harold Pegler of Palmdale, Margaret Sortor of Santa Ana, and Julia Proctor of Puente. The house was prettily decorated with marigolds, acacia and bachelor buttons.

### Names and Phrases.

The bird usually connected with the Christmas Season is known as the turkey. Contrary to popular belief turkeys did not originate in Turkey, but on this side of the Atlantic in the West Indies. The French name for the bird is "dindon." The Russian is "Indelski." Rather a far-fetched theory of the origin of our word is that it is derived from the Hebrew "tikki" a peacock, or Tamil "toka," having the same meaning.

## The Story of Our States

By JONATHAN BRACE  
XL.—MONTANA

THE mention of Montana history immediately brings to mind the Custer Massacre as one of the most dramatic incidents in Indian warfare. It occurred in 1876, the Centennial year, when special emphasis was being laid on the cause of peace throughout the world. The Sioux Indians had been driven into Montana by the gold miners, and the United States government took steps to force them back into their reservations. General Custer, with less than 300 men, set out to round up the tribes which were on the warpath, and at the Little Bighorn river, was ambushed by Sitting Bull and 3,000 warriors. Custer and all his troopers were killed. Soon after this massacre the Indians were defeated and many of them fled to Canada.

Gold was discovered in Montana as early as 1852 by the half-breed Francois Finlay near Hell Gate river. This, however, created little stir and it wasn't until five years later when John Silverthorn discovered gold in quantities, that mining settlements sprang up in the mountains. This region had been part of Nebraska territory, which in 1863 was subdivided and became a portion of Idaho territory. The next year it was organized as the separate Territory of Montana.

Virginia City was the capital and here in 1865 was issued the Montana Post, the first newspaper of the state. In 1874 the capital was changed to Helena and ten years later a state constitution was adopted. The state was not taken into the Union, however, until 1889.

Montana comes from the Spanish adjective meaning "mountainous." Its area is 146,996 square miles, making it the third largest state of the Union.

### THE COUNTRY NEWSPAPER

Hemet News:—Now and then we hear a speaker condemn the newspapers as "hirelings" and paid retainers because the newspapers happen to disagree with the speaker's point of view. There are always the unthinking ready to applaud an utterance of this kind and assume that the charge has a foundation in fact. So far as the average country newspaper-editor is concerned the evidence is overwhelmingly against the hypothesis that he is controlled by corporations or influenced by wealthy interests.

Practically every successful country publisher we have ever known has come up from the ranks of the printers or reporters. He had to carve his own way, for there have been no fairy godfathers to furnish the capital for a newspaper plant or to finance foolish ventures. Probably no avocation in the world furnishes less opportunity for sudden wealth or quick assaults upon the citadel of Fame. It is a long, hard, tedious process to build a successful newspaper of even moderate proportions. And the largest element contributing to whatever degree of success is attainable is the confidence and the sympathy of the great public of men and women with little of direct financial aid to give.

It is not easy for a special interest to make a newspaper a helpful aid, even though it may be easy to buy the type and presses and pay the editor's salary. The evidences of the control stick out as prominently as a steeple on a church, and the support of such an organ is more of a liability than an asset. Without general acknowledgement of honesty and sincerity on the part of the editor its influence cannot reach beyond the door of his office.

### FAVORITE POEMS

Each in His Own Tongue

By William Herbert Carruth

A fire mist and a planet,  
A crystal and a cell,  
A jelly-fish and a saurian,  
And caves where the cave-men dwell;  
Then a sense of law and beauty  
And a face turned from the clod,—  
Some call it Evolution

And others call it God.  
A haze on the far horizon,  
The infinite, tender sky,  
The ripe rich tint of the corn fields  
And the wild geese sailing high;  
And all over upland and lowland  
The charm of the golden-rod,—  
Some of us call it autumn,

And others call it God.  
Like tides on a crescent sea-beach,  
When the moon is new and thin,  
Into our hearts high yearnings  
Come welling and surging in:  
Come from the mystic ocean  
Whose rim no foot has trod,—  
Some of us call it Longing,

And others call it God.  
A picket frozen on duty,  
A mother starved for her brood,  
Socrates drinking the hemlock,  
And Jesus on the rood;  
And millions who, humble and nameless,  
The straight, hard pathway plod,—  
Some call it Consecration,  
And others call it God.

### : BY THE WAY :

After the highways are pounded to pieces, who will pay to replace them? The cost ought to go with the blame. It ought to be easy to place that after seeing trucks hauling more lumber or hay than can be carried in a railway freight car, and busses with more passengers than a street car can seat.

The man who has something to sell and goes and whispers it down a well is not so likely to catch the dollars as he who climbs a tree and hollers. That's true enough to bear repeating.

Someone raises the question "Is the word pants singular or plural?" The best authority around the office says if a man wears 'em it's plural; if he doesn't it's singular—very.

Takes a clever man to remain orthodox—you can't even do it by standing still! Ever think of it that way?

## Odd Incident During Tornadoes in Southwest

Taken at Clarkdale, Ark., the town hardest hit by the tornadoes which swept the South recently, causing 20 or more deaths and losses totalling \$1,000,000, this photograph shows the counter standing in the ruins of a store conducted by M. L. Martin. Mr. Martin was selling a soft drink to Mrs. B. D. Harris when the "twister" struck the town. He grabbed her and shoved her under the counter, following her. The building was completely wrecked but the counter stood firm and both escaped unscratched.

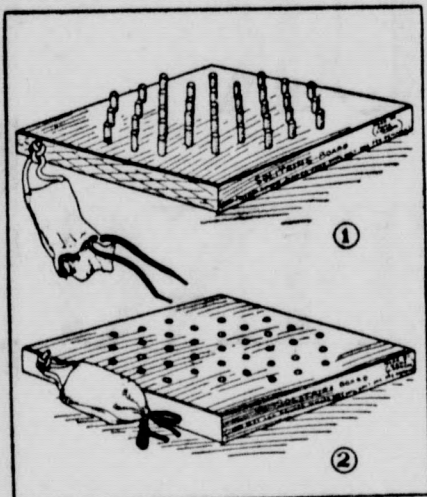

### HANDICRAFT FOR BOYS

By A. NEELY HALL

(Copyright by A. Neely Hall.)

#### A SAMMIE SOLITAIRE BOARD AND SAMMIE CHECKER BOARD.

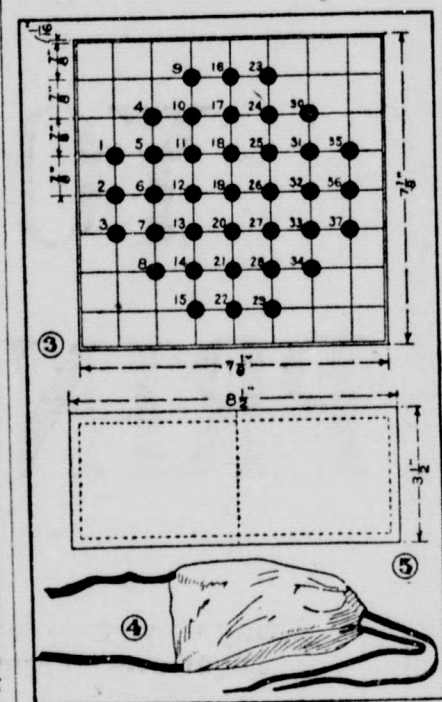

A soldier likes a difficult puzzle, one that he can work at for an hour or two at a time, and the solitaire board shown in Fig. 1 presents just such a puzzle. The trick in this is to jump the pegs one at a time over one another, and remove each peg jumped

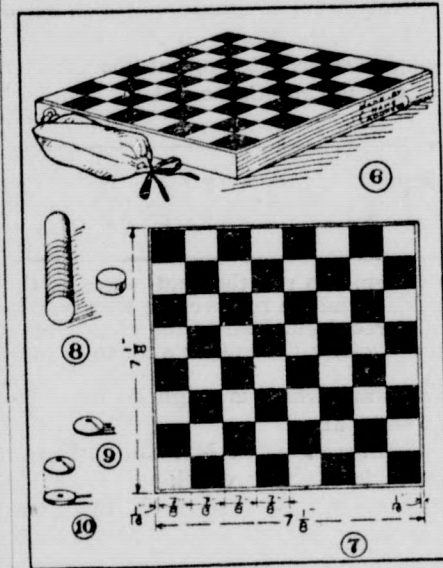

over, until all pegs but one have been removed from the board. Following is a key which shows in what order to jump the men, to play the game to a

successful finish: Stick the pegs in all holes except that numbered 1 in Fig. 3, then, in successive moves, jump 3 to 1, 12 to 2, 13 to 3, 15 to 13, 4 to 6, 18 to 5, 1 to 11, 31 to 18, 18 to 5, 20 to 7, 3 to 13, 33 to 20, 20 to 7, 9 to 11, 16 to 18, 23 to 25, 22 to 20, 29 to 27, 18 to 31, 31 to 33, 34 to 32, 20 to 33, 37 to 27, 5 to 18, 18 to 20, 20 to 33, 33 to 31, 2 to 12, 8 to 6, 6 to 19, 19 to 32, 36 to 26, 30 to 32, 26 to 36, 35 to 37. Peg in hole No. 37 will remain.

Fig. 3 shows a diagram of the board. Rule seven horizontal and seven vertical lines, parallel to the edges, and

3/4 inch apart, as shown, drawing the lines lightly in pencil, as they are to be removed later. At the intersections of the lines locate the peg-holes. At three points of intersection at each corner of the board, there are to be no holes, you will see by Fig. 3. Carpenter's dowel sticks will save considerable work in cutting pegs, as it will only be necessary to mark off 1-inch lengths, saw them off, and rub down the ends with sandpaper. Pegs 3/4 inch in diameter, sandpapered small enough to fit holes of the same

diameter, are of a good size. Only 36 pegs are needed.

As an aid to keeping together the pegs, a sack should be tied to a screw-eye screwed into one corner of the board (Figs. 1 and 2) as a container. Fig. 5 shows a pattern for cutting

### SEASON NOW OPEN FOR STATE PICNICS

The annual reunion picnic of the Illinois State Association of Southern California will be held at Long Beach on Saturday, February 11th, in the beautiful Bixby Park, providing the weather is good, or in the Municipal Auditorium, if it is raining.

A rare treat is in store for all who attend. A splendid program has been arranged for the day, of which the principal speaker will be a surprise.

#### Come on Minnesotans

The Minnesotans are among the most loyal to the memory of the old home state and their picnic reunions are jolly affairs. The next will be held in Sycamore Grove Park, Los Angeles, all day, Saturday, February 18th, 1922. Remember the date. It is held the third Saturday of February each year.

#### CARD OF THANKS

We wish to take this means of expressing our deep gratitude to our many friends for flowers and other expressions of help and sympathy on the occasion of our recent bereavement.

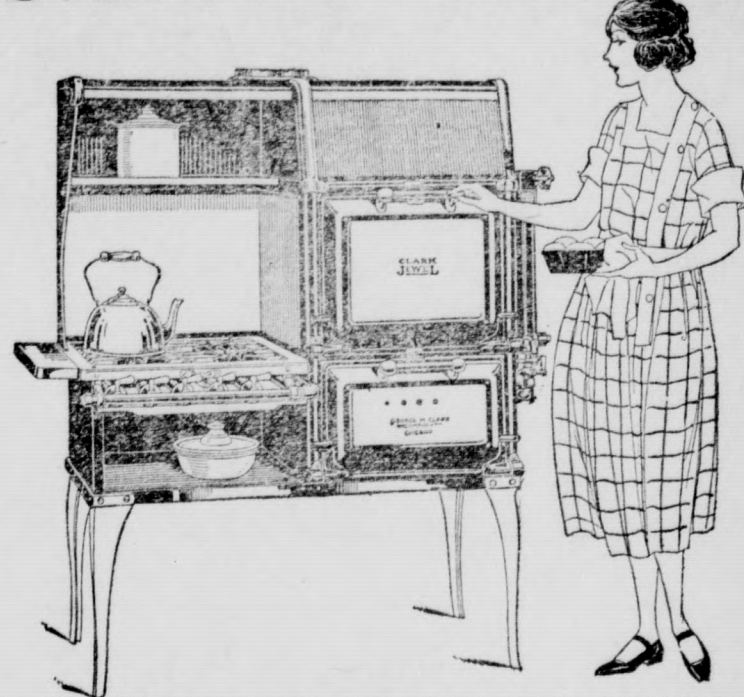

MRS. ELLEN L. BANDY AND FAMILY

the cloth. Ask mother to make this for you. Fig. 4 shows how tapes should be sewed to the bottom for tying to the screw-eye in the board, also drawstring for closing the open end.

The Sammie checker board (Fig. 6) can be made of the same size as the solitaire board. Rule seven horizontal and seven vertical lines across its upper surface (Fig. 7), then fill in every other space with red or black paint, and when dry, shellac and varnish.

The checker men can be saved from a 1/4-inch dowel-stick (Fig. 8), or button molds may be used (Fig. 9). For crowning, the flat sides of the button molds can be placed together (Fig. 10). Twenty-eight men, 14 red or black and 14 natural wood color, are required; make several extra ones. Prepare a sack like that for the solitaire pegs, for the checker men.

## Business Men At Luncheon

Chamber of Commerce Begins Series  
of Gatherings for Business and  
Fellowship

The first business men's luncheon which was held Thursday at the Woman's Club House under the auspices of the Chamber of Commerce was voted by all to be a big success. About 20 business and professional men were present for the purpose of planning things beneficial for Sierra Madre over their coffee and cigars. The luncheon was received so enthusiastically by those present that it was voted to hold similar luncheons every two weeks.

H. E. Allen, chairman of the committee which has been working with the Regional Planning Commission in an effort to join Central Avenue to East Orange Grove Avenue in Pasadena and putting Sierra Madre into the boulevard system that is being built in Southern California, made an interesting report on the progress of the work. Mr. Allen said that George D. Hall, one of the members of the conference, had been over the proposed route with the committee and was very enthusiastic over the project. The Chamber of Commerce at Pasadena and some of the members of the board of county supervisors have also shown interest in the proposed road, according to Mr. Allen.

Edward D. McIntosh, a director in the Lawrence, Mass., Chamber of Commerce was a guest at the luncheon and in a short talk complimented the people of California on their efficient way in which their Chambers of Commerce were conducted.

## LADIES PROVIDE ENJOYABLE PROGRAM

The program given last Friday night under the auspices of the ladies of St. Rita's Church was well patronized and most enjoyable. The principal soloist was Mrs. Philip Zobelein, daughter of Mrs. Jeanne Schmitt of Sycamore Place. Mrs. Zobelein has long been prominent in Los Angeles Music circles and with her splendidly trained contralto voice presented two groups of splendid songs.

Mr. Oscar Rasbach's playing is so excellent and his manner so pleasing that he is always sure of a warm welcome before a home audience. The Mueller family came in for a large share of the honors, little Betty being adorable in her song number and her father showing genuine talent in the little dramatic sketch with Miss Lillian Worth. The audience was quick to recognize Miss Worth as an important acquisition to local talent. Work in the sketch was most acceptable, and her novelty "Bubble Song" scored a tremendous hit.

## NEIGHBORHOOD STORE ON MOUNTAIN TRAIL

"Bill's Eat and Drink Place" is the name of a new store and lunch room just opened by W. T. Michael at the corner of Mountain Trail and Sturtevant road. Hot and cold drinks and lunches will be served, and that portion of town will doubtless find it a convenient place to buy bakery goods and package groceries which are kept in stock. It's a neat, clean little place and will draw considerable trade from the mountain hikers, being open till 9 p. m.

Miss Mary E. Fay has presented to the Sierra Madre Public library a large framed etching of the interior of the Burgos Cathedral.

## Letters To The Editor

The News is not responsible for the statements nor the sentiments in the following letters. This is the people's column and we reserve the liberty only of condensation and clarification where it is required. The editor of the News must know the authorship of every letter whether the author's name is published or not.

Los Angeles, California,  
February 3, 1922

Editor  
Sierra Madre News,  
Sierra Madre, Calif.

I notice in your issue of January 27th that reference is made to an alleged statement "that wages of street railway employes in Los Angeles are from 3 to 5 times higher than before

the war" which is signed by Fred Totten, Jr.

I presume what Mr. Totten has in mind is the talk which I made to the Associated Chambers of Commerce of San Gabriel Valley at Covina on January 3rd. Fortunately, I kept a copy of the comparisons referred to of some of the costs of railroad operation in 1921, as compared with 1917, and they are given below:

	1917	1921
Motormen and conductors, per hour.....	.30	.46-53
Cost to construct one mile of double track electric railway, light construction, unpaved.....	\$30,000	\$67,000
Light construction, paved.....	42,000	90,000
Heavy construction, paved.....	87,000	143,000
Cost of untreated ties (each).....	.50	1.38
Cost of treated ties (each).....	1.07	2.60
Cost of 75 lb. steel rail (per ton).....	42.00	81.00
Cost of 127 lb. Groved Girder rail (per ton).....	50.00	109.00
Cost of standard steel coaches.....	16,700	45,000
Pacific Electric Power Bill, per month.....	84,000	130,000

Since you printed Mr. Totten's statement which, apparently, was based on a misunderstanding of what was actually said, I know that you

will print this letter which straightens out the matter.

Yours very truly,  
D. W. PONTIUS

## SULLIVAN'S BAKERY CHANGING POLICY

Selling their bread and pastry thru the grocery stores, cutting out their own bakery wagon and reducing the price of the loaf to 12 cents in conformity with standard bakery prices, Mr. and Mrs. D. J. Sullivan are making radical changes in the policy of the Sierra Madre Bakery. In talking of the change, they say they found the expense of the bakery wagon was not justified by the returns. They hope to secure wider distribution of their goods through the grocers. Their customers will thus be able to have this excellent Sierra Madre baked bread delivered with their groceries. The Sullivan products have been winning their way on real merit and deserve liberal support on that basis as well as on the grounds of being a home institution.

The MacDowell Club held an interesting musical evening at the home of Mr. and Mrs. Homer Glidden last Friday evening, the husbands being invited to enjoy the program and refreshments which followed. Among the guests were Mrs. Glidden's sister, Mrs. Shaw of Hollywood, and her daughter, Miss Adeline Shaw, who is a pupil at the Pomona College conservatory. Miss Shaw's playing was a very enjoyable feature of the evening.

## Colonial Theater

314 S. Myrtle Ave.
